Sharon,
We've been pretty good
friends for the last few years
and it was all to the good.
I have fun with all those
college boys. I guess I'll stay
with boys my age for a while
because that is the only kind of
luck there is.

DISCOVERY 1966

The year has come!

We are a part of an active world!

Let us capture these important moments!

As members of this world, we have known:

The thrill of watching the race in space

The intense moments of world crisis

The struggle between powers in South East Asia

The mention of peace and the never-ending threat of total destruction

The excitement of imagining or participating in world travel

The change in fashion styles

The influence of foreign artists on all levels

The change of traditions

and

The importance of being young.

As members of this country, we have known:

A definite nationalistic spirit for our country

A keener insight into the functions of our government

The struggle between political parties

The policies used by a President from Texas

The influence of labor unions in deciding our nation's economy

Inflation or how to buy less with more money

and

The importance of being young.

As members of this community, we have known:

A quiet moment in Lake Side Park

The ever changing country side

The influence of four definite seasons

The duties of city and county governments

Main street on Sunday afternoon

Saturday nights with nothing to do

The controversy over fluoridation

and

The importance of being young.

As members of this school, we have known:

The homecoming, proms, balls, and banquets

The taste of victory and defeat

A struggle to acquire and attain knowledge

The impact of certain special people we call teachers

The responsibilities and advantages of friendships

The ability to feel ourselves grow in knowledge and wisdom with each passing day

and, of course,

The importance of being young and alive with spirit and understanding of which direction to take.

We are here on the threshold of life!

We are ready to take whatever may come!

Are you ready to be discovered, world?

Interests: gardening, farming

MR. JOE RICH

Position: Director of Activities

Years at MHS: 29

Mr. Goering and Mr. Brown confer with past MHS students.

Mr. John Goering

Mr. John Goering walks a precarious path in the different channels of the high school. Keeping his eye fixed on the goals of a well balanced high school program, he must hear and weigh honestly the ideas, problems, and complaints that originate from the students and the faculty.

In the academic program of the high school Mr. Goering must uphold the quality of excellence. He is sensitive to the needs of a growing and straining school, yet its pressures always leave him calmly collected.

Mr. Joe Rich

Director of Activities, Mr. Joe Rich, brings a new perspective to McPherson High School for it was only a few years ago that he was a member of the faculty. He puts himself into the school and this effort will never be erased. By doing so, he has won the respect and admiration of the faculty as well as the students.

Mr. Goering jots down a quick memo.

"Something you want?" asks Mr. Rich.

GRADUATION

*begins with practices,
brings scholarships*

Senior Week became real when members of the class donned the royal blue robes and mortar boards and began practice on processional and recessional marching, prior to the Senior Scholarship Awards Assembly.

Watch that mortar board, Phil.

Max Thye, class president, leads processional rehearsal - tum, ti, tum, tum - to begin senior week activities.

Mr. Luty directs "Pomp and Circumstance" as class finds places, and Booz admires his tennies (third from right).

Mr. Goering said "Relax", not "Collapse"!

. . . the class farewell, given by Karen Goering, class valedictorian.

. . . the class song, led by Shirley Thompson and accompanied by Carrol Hassman, seems to have some of the boys confused!

Karen Goering, class Val, accepts one of her two scholarships.

"Lake Forest, here I come," says Rejene Stowe.

"It's K. U. for me, thanks to the Miller scholarship," says Cynthia Stuart.

"Thank you K. U.," says John Mauk.

Louise Krom, winner of Home Demonstration.

Alma Herbers, like Karen G., accepts one of her two nursing scholarships.

"Thank you," says Shirley Thompson, "for the College of the Pacific scholarship!"

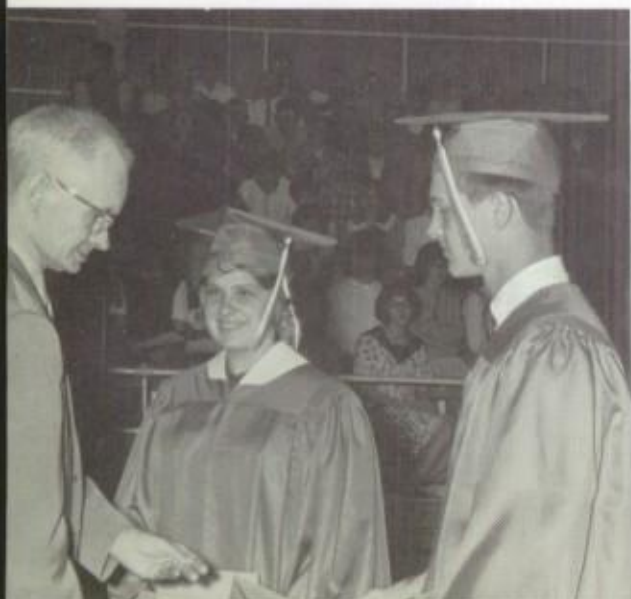

"Ottawa U.!" smiles Susan Edgell.

"Another K. U.-ite," says Phil Higdon, receiver of a debate scholarship on the Jayhawk campus.

Jolene Peterson and Gary Stromberg win coveted Am. Legion recognition.

These are but a few of the thirty seniors awarded scholarship at Senior Assembly.

Casebeer, Stucky and Hassman head for Wichita U. on music scholarships.

"Make mine nursing," says Alma Herbers, receiver of two scholarships.

"Emporia State for me!" beams Linda Detwiler.

"Sacred Heart, here I come," says Patsy Meland.

Diane Thomi accepts her Voice of Democracy trophy.

Mr. Paul Sargent awards the People's State Bank scholarship to Krom, Duncan, and Boyd Walker.

"I am for Central College," states Margery Fox.

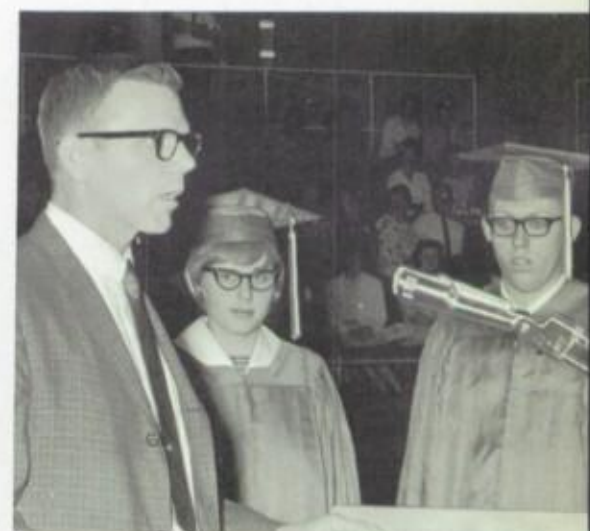

Eleven are granted scholarships to McPherson College.

Steve Stockham, receiver of two scholarships, presents the senior gift--a music shell--to Principal John Goering.

Max Thye, class president, dismisses class of '66 for the last time.... "Please stand for the recessional."

Mr. Roy Unruh, pres. of City Teachers Assn., gives scholarships to future teachers, French and Lawler.

EPITAPH: '65-66

In the outside world, it was the year when "These Boots" walked all over the "Green Berets," and "Lightning" struck "Michelle." It was the year the Hell's Angels swept the country and the surfer's cross became the national emblem. It was the year the "Swim" went out and the "Monkey" came in. Skirts became shorter and boys' glances became longer. The Mommas and Poppas, Mitch Ryder and the Detroit Wheels, and Paul Revere and the Raiders were all in, and the Everly Brothers were out. But over all, Batman reigned supreme.

It was the year the U.S. laid a bomb in the Mediterranean and sent Gemini 6, 7, 8, and 9 into orbit. The Los Angeles Dodgers won the World Series, and the Braves hopped merrily from Milwaukee to Atlanta, and maybe back again. It was the year President Johnson marked his second anniversary in office, and Barry Goldwater marked his first full year back at the department store.

At MHS, it was the year the football Pups were picked "Team of the Week" and were never heard from again. It was also the year the basketball Pups surprised a lot of people by being heard from plenty during the entire season. It was the year when the senior boys did their homework with a map of Viet Nam somewhere in the room--just as a reminder of what happens to those who don't study. It was the year when the Junior-Senior Prom became a glorified engagement party. David Stagg stunned the world by making his announcement that he wasn't going to K-State after all.

It was the year "M'Liss" sang "The Sound of Music" by "The Babbling Brooks." The debaters won ten trophies, and the tennis squad hasn't stopped winning yet. Judy Peltzman, Sydney Miller, Patsy Melland, Linda Jones, and Louise Krom all played "Queen for a Day." It was the year the MHS student body finally got Mr. Finton down, and drove him back to Oklahoma. Skate-boarding was a passing fad, but beaver-shooting remained the main pastime. MHS moved to Kanopolis Senior Skip Day while the juniors slaved on Prom decorations in the

gym. It was the year J.B's replaced the Men, and Mrs. Matson broke her own record by wasting a total of four minutes, two and two-tenths seconds of class time during the school year.

Yes, it was quite a year. The seniors are leaving, and a new crop of sophomores will soon be filing in to write new pages in MHS history. The Class of '66 is now history. We hope we've left a few pleasant memories.

*stage great prom,
assume leadership*

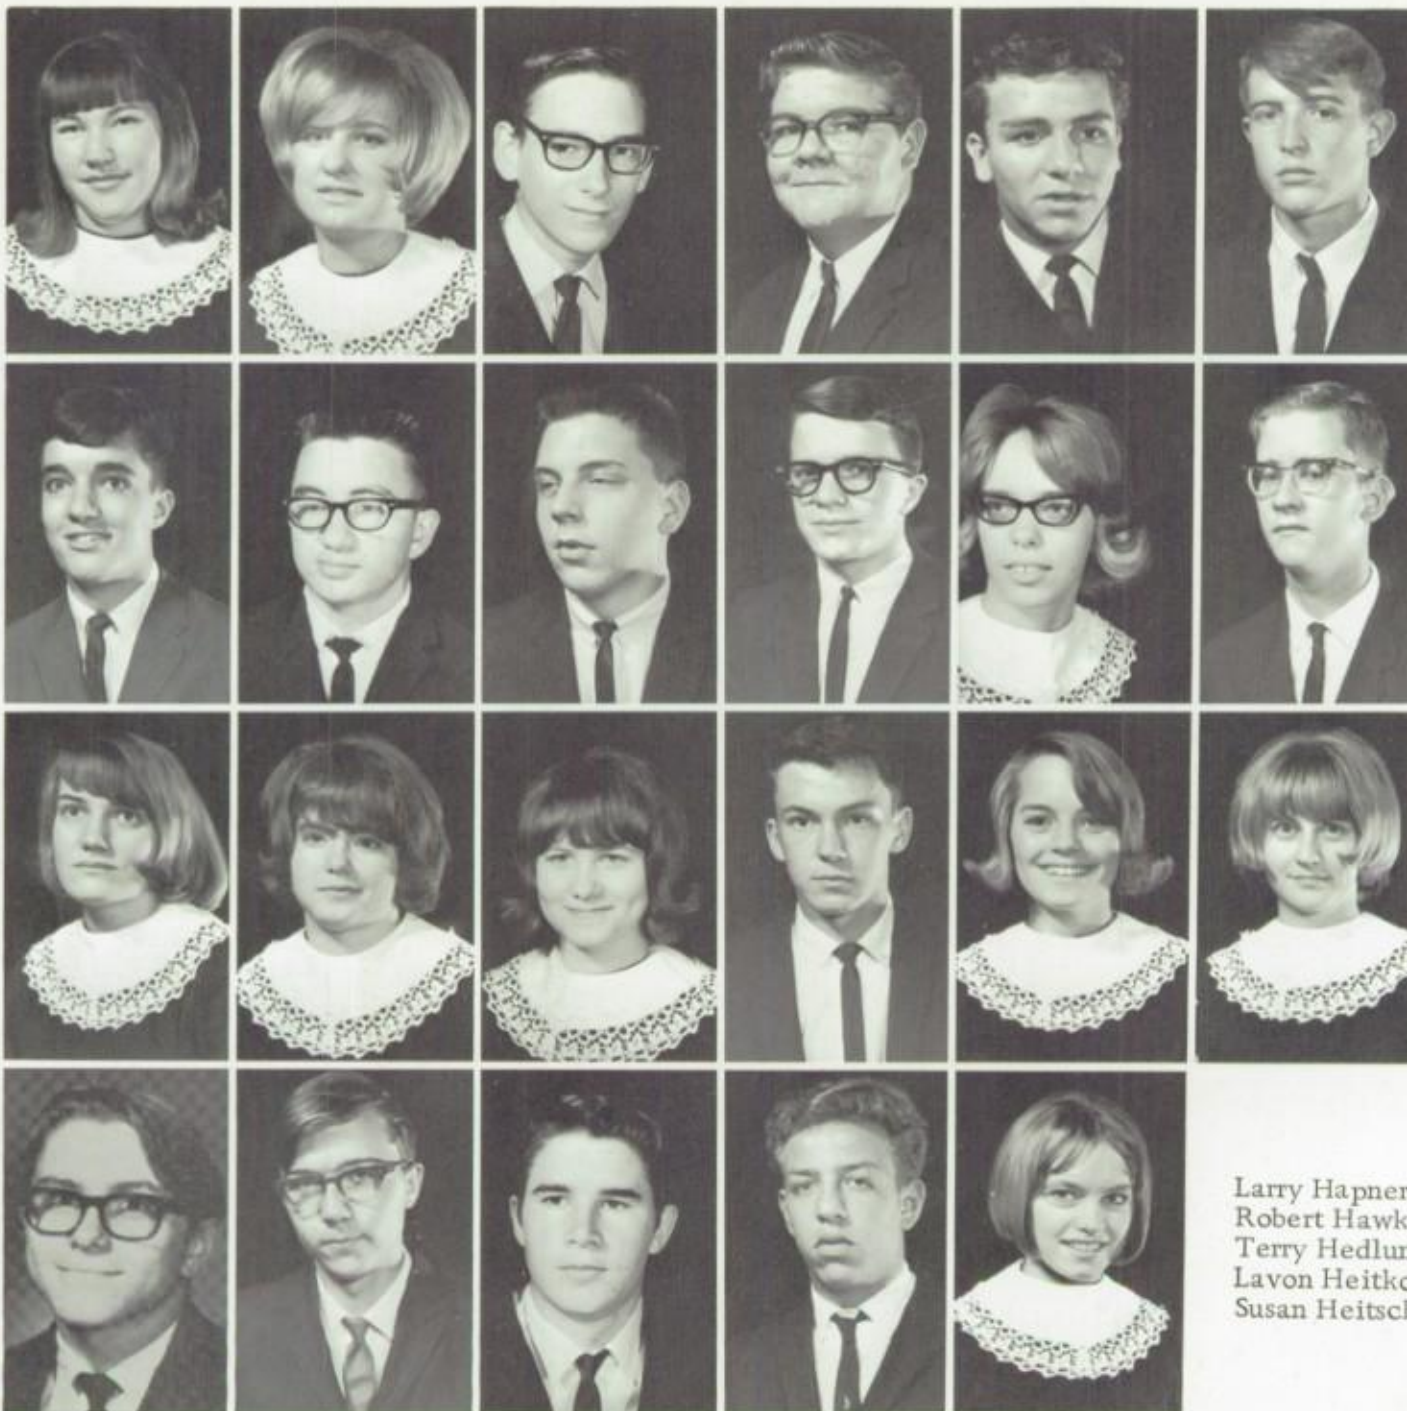

As the year began, juniors classified as upperclassmen, and assume responsibility in school activities. Speaking of leaders, class officers were: Bob Griffith, president; Dick Thompson, vice-president; Vickie Kaiser, secretary; Dana Sammers, treasurer.

Uniting together, the first major accomplishment of the year was the class play. Exciting was the arrival of class rings, but the big moment was the Junior-Senior banquet and prom, held for the first time in the Roundhouse of the school. Netting, glittering fish, and alluring mermaids lined the walls, dancing sea horses and sea shells decorated the tables, a mock whale, skillfully lighted, gave credence to the underwater theme of the evening.

JUNIOR-SENIOR PROM

*Palace of Oceanus
serves as prom theme*

"Just whistle while you -gurgle-gurgle"

The Junior-Senior Prom took its guests to underwater chambers for an enchanting evening.

For the first year the gymnasium was used for the highlight of the year. It was beautifully decorated with shells and figurines.

Would you believe?!

Smile you're on candid camera!

This, the sophomores' first year at MHS, was a fun-filled life of a typical student. There was an uneasiness about coming at first, yet a feeling of anticipation. The first attempt to find the way from biology to literature was an experience to behold. As the year progressed, the class advanced in knowledge of school routine and subjects fundamentals.

Now that the first year is ended, sophomores look forward to the coming fall when they reach the status of upperclassmen.

ORGANIZATIONS AND ACTIVITIES

STU-CO

*directs assemblies,
presents queens*

The goals of Student Council are to bring the various student organizations under control, to make student opinion known to the administration, and promote cooperation between the student body and the faculty. During the past year, Stu-Co has strived towards these ends.

Besides acting as an intermediary between the students and the faculty, Stu-Co has directed many informative assemblies and has conducted the crowning of the football and basketball queens.

CABINET-SEATED: Patricia McKenna, vice president; Steve Stockham, treasurer; Patsy Melland, secretary. STANDING: Mr. Rich, sponsor; Phil Higdon, president; Mr. Zerger, sponsor.

Phil, we always knew you were the tidy type, but polishing the letters?

They did--vote for Bob, that is--for 1966-67 Stu-Co president; Dick Thompson will be his able assistant as vice president.

BOTTOM ROW: Jonell Hall, De Ann Chinberg, Lynette Holloway, Patsy Melland, Patricia McKenna, Dea Unruh, Kathy McNally, Judy Peltzman. SECOND ROW: Dale Leach, Boyd Walker, John Mauk, Teri Banman, Virginia Yingst, Cathy Colyn, Carol Zimbelman, Bonnie Harris, Vickie Kaiser, Janet Mills, Vicki Lane. TOP ROW: Phil Higdon, Steve Stockham, Lonnie Gustafson, Wayne Kerschmer, Dean Duske, Roger Inloes, Bob Griffith.

HI-Y

*performs many functions,
attends mock legislature*

A busy year greeted the Hi-Y boys in September. Projects extended through the entire year and included the decoration of the school Christmas tree, consolidation with the Kayettes on the Charity Ball, and the sale of popcorn at home basketball games. The Thanksgiving assembly was also held under direction of the Hi-Y members.

One of the focal points of activity was the mock legislature, held at Topeka on March 31. Representing McPherson were Dana Sammer, Bob Hill, and Mark Brandsted, accompanied by Clinton Brown and Harry Heckethorn.

KAYETTES

lead a busy year

performed many tasks

The Kayette organization has been one of the busiest and most useful groups in McPherson High School during the past year. To increase their funds, the Kayettes held several money-making projects and ventures. The most important was the Kayette Karnival. Held in February, it was a big hit with old and young as well. The Kayettes are divided into teams, and for this event each team designed a booth and charged a small fee to anyone who wanted to get in on the fun and games.

Consolidating with the Hi-Y, they collected food and clothing for a needy family and presented their major social event, the Charity Ball.

Sending aid to George, the adopted Greek boy, was again an outside project of the organization. The sale of beautifully decorated UNICEF Christmas cards, trimming the school Christmas tree, and decoration of all the individual classroom doors were special holiday projects.

To complete the year's list of activities, the Father-Daughter Banquet was given, and needy children were taken to the May Day festivities.

Susan Wood demonstrates her great skill at running the penny toss at the Kayette Karnival.

T & I

*students learn and earn,
rate in state*

The Trade and Industry Club, two years old, promoted interest in vocational training with their maroon blazers, the booster button campaign, their showing in state competition, and the banquet for employers. Jim Ratzlaff and Jerry Taylor placed first in state competition.

T & I's big project, the booster button sale, encouraged school spirit and provided for their new blazers.

All ready for "the bosses", under whom T & I students earned \$11,000 this year, while learning.

PEP CLUB

*initiate several projects,
creates new position*

Under a new set of rules, the Pep Club has strengthened the participation of its members. Although rather small in force compared to the past year's membership, this year's Pep Club initiated several new and different projects for student participation. These included the "Derail the Railroaders" contest and the poster contest.

The "White M", which outlined the Pep Club section at all the home games, was again made up of senior girls having highest number of points.

A new honor for two girls from each class was added this year: that of Pep Club hostess. Senior hostesses were Susan Lafferty and Arnelle Hilgenfeld.

Patricia McKenna and Dea Unruh are shown putting up one of the prize winning posters for Pep Club's operation to generate enthusiasm.

M-CLUB

*boasts af active members,
strives for high ideals*

Sporting a membership of dedicated athletes, M-Club has, from the first day of school to the very last, been a part of many school activities. To begin the year, a rigid initiation was held. During the Christmas season, a pecan sale boosted the treasury. The M-Club also ushered at home basketball games, gave a pep assembly with six M-Club boys imitating the A-String cheerleaders, and sold sno-cones on May Day. To round off the year's list of events, the annual picnic was held with the parents as guests.

During the years that M-Club has been in existence, it has been trying to fulfill its many purposes, those being to further good sportsmanship and good citizenship, and to instill school spirit in the student body.

Because membership is composed of boys who have received letters for their athletic efforts, they are more aware of the responsibilities and duties they owe to their fellow students. Through the spirit they generate, they are able to stimulate others to achieve not only for themselves, but for the school as well.

JCL

*closes career,
with busy year*

By working industriously on various projects, the Junior Classical League raised needed funds for their annual Roman banquet, this year called "Saturnalia." Guests were appropriately dressed in Roman costumes, and "finger foods" were prepared and served by Mrs. Brungardt.

Money-raising campaigns included the sale of popcorn balls before Halloween and bake sales during the year.

On March 26, most of the membership attended the state convention at Wichita Heights High School. The McPherson chapter was responsible for leading discussion in the "Latin Banquet" workshop.

FHA

*conducts maiden week,
participates in many activities*

Numerous activities were carried out by the Future Homemakers of America during the school term. An annual project and a chief money-making venture of the FHA was the cookbook sale. Community service projects included the gathering of clothes for the Navajo Indians and visitations at The Cedars.

For the benefit of the girls, Maidens' week was held March 20-26. During the entire week, the boys were at the mercy of the girls as the female delegation dated boys at their own expense.

During the month of March, the FHA honored their mothers at the Mother-Daughter Banquet, the spring social event.

The state and district conferences were also held in the spring. The McPherson Chapter hosted the District G conference, and many of the McPherson members attended the state convention at Topeka.

FFA

wins many honors;

receives much recognition

A year of competition and achievement ushered out the Future Farmers of America for the school year. In October the officers attended the FFA National Convention at Kansas City. Immediately following was the American Royal Livestock Show, which was attended by a large delegation from McPherson. The chapter also observed national FFA week under the theme of "Agriculture is more than Farming."

In district competition the entomology team took first. At state the FFA boys tied for first in dairy products, took second in dairy cattle, and placed fourth in poultry judging. A special honor was awarded to Robert Larson. He was presented with the State FFA Foundation Award in soil conservation and went on to enter the national finals.

On May 6 a Parent-Son Banquet, an annual affair was held. Mike Ankerman, state reporter for the Kansas Association of the Future Farmers of America, was the featured speaker. Awards given that evening included proficiency awards in sheep, swine, dairy and crops, and farming; agriculture and farm mechanic judging letters were presented as well as chapter star awards.

SCIENCE CLUB

promotes the sciences;

presents science seminars

The Science Seminar program, a new aspect in conveying more information to the science student, was initiated at McPherson High School this year. The two seminars that were held on the high school campus were sponsored by the National Science Foundation and the MHS Science Club. Speakers at these programs were Dr. Frank Millich, Associate Professor of Chemistry at the University of Kansas City at Missouri; and Dr. Robert Clarke, Associate Professor of Biology at Emporia.

During its regular monthly meetings, the Science Club featured other renowned guest speakers and lecturers from over the state, as well as having student demonstrations and conducting an "indoor" star gaze.

DEBATE

experiences triumphant season;

has oratorical winner

The 1965-66 season was a triumphant one for the Bullpup debate teams. The varsity squads won seventy-five per cent of their debates while the novice teams had an excellent record of sixty-five per cent wins.

Consistently impressive records in tournaments over the state rated our teams as some of the best. At the Pratt and Dodge City tournaments we brought home first place trophies; second places were captured at Valley Center and Greensburg; and teams took third at Great Bend, Southeast, and St. Mary's. We also took a fifth place trophy; this was at Hoisington.

The McPherson Second Annual Invitational Debate Tourney was held at the high school on November 19 and 20. Sixty teams from thirty schools participated with Garden City taking top honors.

Many of the debate students also participated in district and state speech and drama contests. Those who went to State took five I's and three II's.

This year a senior from McPherson High School had the privilege of representing McPherson in the American Legion Oratorical Contest; this student is Ken Stromquist. Ken went on to represent the county and progressed to competition at District where he won second place.

SAFETY CLUB

promotes safety;

plans for consolidation

Safety Club once again tried to promote the interests of vehicular safety in and around the town of McPherson. Early in the year, the club held a car-window wash on Main Street to encourage community interest. During the winter months, milk cartons were filled with sand and distributed to filling stations within the city. The filling stations in turn dispersed these to drivers who could use the contents in case they got stuck in the snow. These, and other projects the club carried out, helped to encourage safety in the school and in the community. Through the club efforts, the community became more aware of the importance traffic safety plays in their lives.

Next year, Stu-Co and Safety Club will consolidate to form an organization designed to promote safety and represent the student body at the same time. School service and safety practices will continue to be the major principles of Safety Club after this combination of two worthy and competent organizations.

VOCAL MUSIC

proves a pleasure

for singers, audiences

The vocal music department provided a busy, rewarding segment of life at MHS for those who take their music vocally. The Mixed Chorus, robed in red and white, brilliantly represented MHS at the CKL clinic and at the Kansas State Workshop. The group also displayed their love for music in its presentation of special numbers in the spring musical, Christmas, Thanksgiving, and Easter assemblies.

The Mixed Ensemble, a small, selected group, captivated its audiences with varied routines and colorful appearance. This group traveled extensively throughout the area, performing before numerous clubs and civic organizations.

Pastel green denoted this year's all-girl Treble Clef. This group, too, has participated frequently in various programs, and has always been warmly accepted. Highlight of the season for the thirteen girls, who have sung together for two seasons, was the I rating they received at District and State.

SPRING MUSICAL

brings pleasure

to appreciative audience

"You, and The Night, and the Music," the theme of the spring musical, found MHS singers all dressed and looking "mighty purty!"

Brought back by popular demand were the unforgettable children, the seven Von Trapps, from "The Sound of Music."

Dance, as well as song, was a feature of this spring's presentation. Rejene Stowe and George Billue added much with their ballet number, performed as an accompanist to Jeanette Stucky's vocal solo.

Remember, boys--SMILE!

Treble Clef girls sing "Lullaby of Birdland"

Cameron Knackstedt, popular soloist, appropriately sings "My Romance."

"So long, Farwell," warble the Von Trapp children.

Billue, Stowe, and Stucky during the special ballet number.

Capt. Von Trapp, the widowed father of seven, sings his love song to Maria, the orphan girl who, as governess, has re-awakened him and his children to the sound of music--and a happy, bustling life.

"THE SOUND OF MUSIC"

*creates enjoyment;
stirs a few tears*

"The Sound of Music" is a musical based on the true story of the Von Trapp family, who escaped from Austria in 1939. With the enthusiasm of the seven Von Trapp children, the musical was entertaining and enjoyable. Especially outstanding were the nun chorus and the Bavarian Alps settings, the singing Abbess, Maria's gaiety, Von Trapp's voice, and Elsa's flirting.

Snappy marching, fine music, and expert drilling combined to form a unit which gained much attention and recognition.

Under the able direction of Mr. Bryce Luty, the band provided the entertainment for the football games, marched at the K-State Band Day, and participated in the Hylingsfest and All-Schools Day celebrations.

The band's highlight was representing the State of Kansas at the National Jay Cee Convention, held at Detroit, Michigan, in June.

CROSS COUNTRY

has its moments;

experiences new coach

Hampered by severe weather and injuries, which kept the top runners from regional and state competition, the MHS cross-country squad lettered three seniors, while underclassmen received valuable experience.

Steve Opat, senior and second-year man, paced the team with a 10:35, while Bill Morrow and Dan Vance, sophomores, boasted a fine 11:44 time.

FOOTBALL

provided thrills

for loyal fans

MHS Bullpups put out a lot of effort during the 1965 season; and if they did not win a majority of their games, they did produce a lot of thrilling moments for their fans. Under a new coach, Jack VanAmberg, the Pups began to build a strong team among the underclassmen.

The student body shows its enthusiasm for the football squad.

A-TEAM FOOTBALL

plays hard and tough;

loses many close ones

The "A" squad certainly played hard and tough, but it could not seem to find the winning token, although it gave fans many a thrill.

Coach VanAmberg, new at MHS, lost fourteen lettermen through graduation. However, the remainder of the A-squad should give Coach VanAmberg a strong starting team for next season, due to the experience acquired during the 1965 games.

I tell you, it smarts!

B-TEAM FOOTBALL

plays with determination;

practices hard

The "B" team had a somewhat successful season with wins over Buhler and Hutchinson. One of the most promising incidents of the season was the 14 to 0 victory the McPherson sophomores had over the Newton team. The boys played with much poise and hit with determination. This victory was encouraging to the coaches and will provide incentive for next year. The "B" team was coached by Charles Sponberg, Bill Stevens, and Dick Finton.

A-BASKETBALL

wins again;

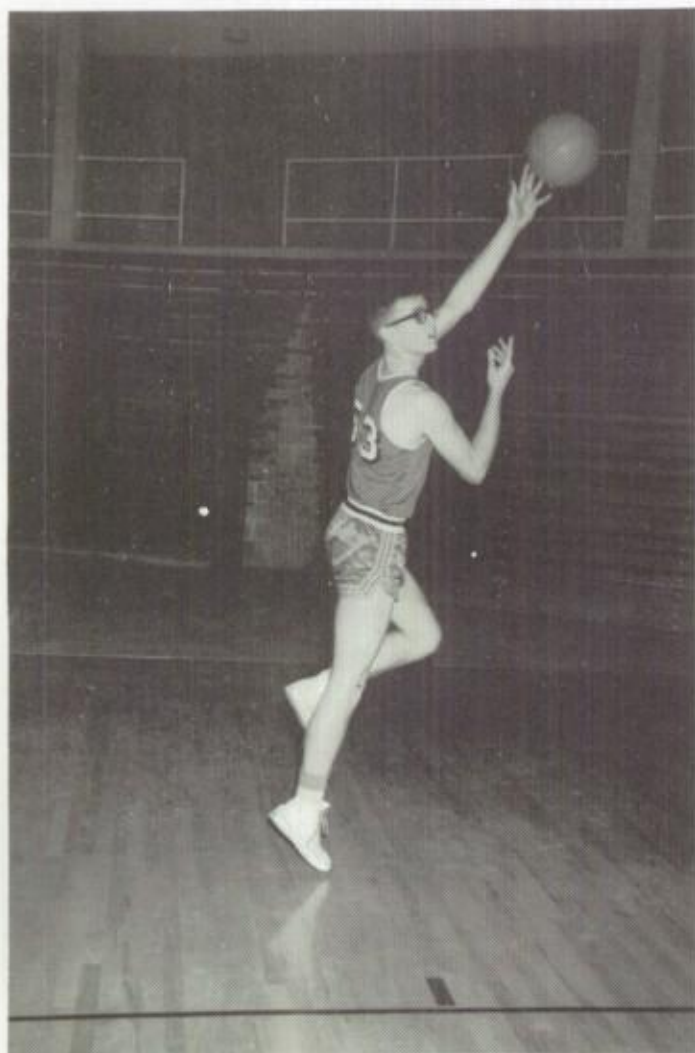

hosts tournament

Despite the fact that the MHS basketball team lost six of its top players by graduation, Coach Frazier formed a new, winning squad this year. Jerry Martens, Larry Reiswig, and Steve Palmer were the only returning lettermen.

After McPherson defeated Manhattan in their second game with Manhattan this year, the Pups and Indians were tied for first place in the CKL. However, three days later when the Salina Mustangs came to the Roundhouse, Salina walked away with the victory. The Bullpups ended with a 10-2 record in the CKL which put them in second place.

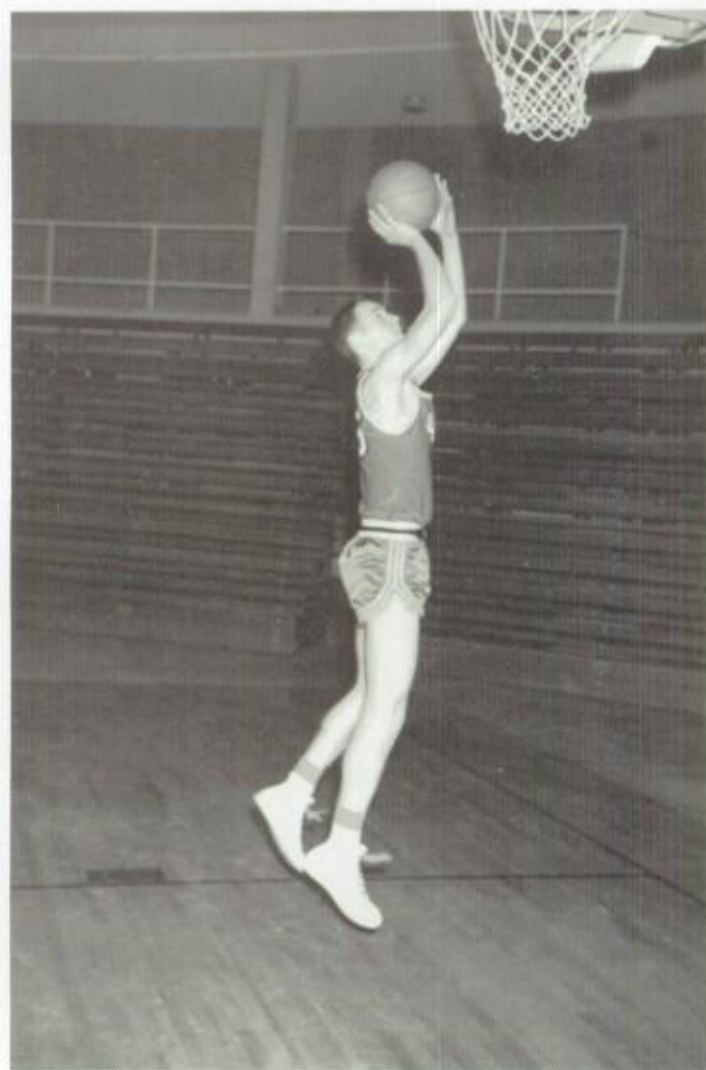

Again this year McPherson hosted a regional tournament in the Roundhouse. In the opening game McPherson scored an easy victory over the tough Wichita Heights team. In the semi-finals, the Newton Railroaders avenged an early season loss by defeating the Bullpups 71-61. In the finals McPherson defeated the Hutchinson Salt Hawks by a score of 45-35. The Bullpups secured third place in the tournament, and ended the basketball season with a 17-5 record.

B-BASKETBALL

*has good season;
strengthens A-team*

Winning approximately seventy per cent of its own games, B-squad also sharpened the A-team for its league games. With such success, the B-squad men should turn into top A-men next season.

LEFT TO RIGHT: Craig Rausch, Bill Morrow, Paul Krehbiel, Roger Inloes, Dean Duske, Pat Jones, Bion Beebee, Dennis Houghton, Dennis Sorenson, Dale Leach, Wayne Rogers, Mark Heidebrecht, Bill Pyle. KNEELING: managers, Mike Christensen and Ernest Pease, Jr.

Head basketball coach, Jay Frazier, kept close eye on B-boys, with many helpful suggestions.

Coach Clinton Brown, assistant to Coach Frazier, was in charge of B-squad, and thanks to his strong team during practice sessions, assisted the A-team to go on to victories in CKL. "I'm proud of B-teams record of wins," smiles Coach Brown.

Managers Mike Christensen and Ernest Pease, Jr., made lighter work for the coaches.

TENNIS

*has a successful year;
plans for the future*

This year's tennis team was a very pleasant surprise. The Bullpup netmen had the first outstanding season that McPherson had experienced in many years. Paced by senior lettermen Kenny Bechtel, Larry Reiswig, and Bob Hill, the Pups opened the season with a first place trophy at the Hutchinson Quadrangular. Falling to third place at the Salina Quadrangular, they quickly rebounded by sweeping the Hutchinson-B (8-1), Salina (5-4), and Emporia (7-2) duals.

Then the duel with the ever-powerful C.K.L. champs, Junction City Bluejays, ended in a disaster for the Bullpups, who were humiliated 9-0, (the worst showing all year.) At the annual C.K.L. meet, the Bullpups placed fourth behind Junction City, Manhattan, and Salina. The Pups finished only one point out of third place. Kenny Bechtel and Lane Bomberger played outstanding ball throughout the meet for the Pups.

In the regional tournament, McPherson was represented by Larry Reisweg, Kenny Bechtel, Lane Bomberger, Dana Sammer, Bob Hill, and Danny Vance.

Next year should also be a good one for the McPherson tennis squad, as two two-year lettermen and a bevy of underclassmen return.

TRACK

gains stature at MHS;

wins medals

Track men at MHS had one of their better seasons in 1966. With five sophomores lettering, it seems that next year's teams will be even stronger.

Highlight of the season came at the Newton Invitational, where MHS came in third out of nine competing schools.

Although last in the CKL meet, MHS had two third-place medalists: Dave Culver, who ran the 440 in 51.9; and Steve Opat, who ran the mile in 4:37.

In the district meet, Dave Rhoads scored in the high jump, Jack Vetter in shot put, and Steve Opat in the mile.

Also winners this season were Allen Brown, who tied the 220 record, and the medley relay men: Allen Brown, Paul Hamilton, Paul Krehbiel, Keith Peterson, and Mark Heidebrecht.

"I'm proud of these boys," says Coach Stevens. "Just give me a few more good men in all fields, and we'll take CKL!"

GOLF

*team gains experience;
prepares for next year*

This year's golf team gained valuable experience during the 1966 season. During its annual spring season the Bullpup team played at Manhattan, Junction City, and Salina. The Bullpups also held their own invitational tournament on the McPherson Country Club course, preparatory to the CKL meet. In the CKL tournament, McPherson finished fourth in the two-man division, seventh in the four-man team. League standing placed MHS sixth.

Steve Stockham, a four-year man, again led the MHS golfers with outstanding play throughout the season. Seniors Chuck Booz and Gene Olson were aided by an able group of underclassmen, including Mark Brandsted, Gary Gardner, Pat Jones, Dean Duske, and Gary Grant, who will be seeing much action next year.

Smile, Mr. Moore --there's always next year!

Sharon,

Together I've since we've worked
you real well. I really got to know
truly have enjoyed it. I really and
though some enjoyed it. We've gone
things, but if you think about it
We've had some real good times too.
continue. As long as we work together
Stay even after that. Let's always
friends Good luck always

Amy

Dear Sharon, gotten
I haven't until lately
to know you until lately
(luck I guess). Always
be good, ha. Well, have fun
then. Lots of luck
the good kid

Dear Haven, I know
I don't really know you
you very intimately
but in future I wish
to be

Sharon,
No bad you're not a big senior like me. 'Ka.
I guess you'll just have to be satisfied as a
junior. You're a nut and mean nice. Watch for
boys like you and you'll be smart. Always Bohannon
